What is Wriggle's Services & Support? Why do I need it?

The risk associated with unmanaged devices in school is that students can access any app with any age rating at any time. To prevent this, Wriggle's team of experts put your child's device through a rigorous process to ensure:

- School Specific device restrictions are applied to your device
- *Your device is set up for educational use
  ***Please note: Web content filtering is not included.**
- Your device is safely managed by our team
- All school apps are available on your device
- New school apps and updates are pushed to your device as required
- Setup of all eBook accounts, to enable you to easily install your eBooks.

...and lots more

Queries and issues always arise, which is why Wriggle's team offer parents a full support service including:

- Full phone and email support
- Technical support & advice from our team
- School and 3rd party app support to ensure optimal performance
- Device reconfiguration to school specifications
- Device Management app support
- Device repairs and updates
- Device management licence & platform maintenance
- Warranty and logistics repairs & support
- Device unlocking should it become disabled

...and much more

As part of your Wriggle Service and Support, you and your child will be provided with access to 100s of tutorials on:

- Device Safety and security
- Parental restictions and internet filtering
- Tutorials on the most popular school learning apps

...and so much more

A guide to installing eBooks

As part of Wriggle's Services and Support for parents and students, our expert team will:

- Create all the eBook publisher accounts for your eBooks.
- Provide detailed video guides on downloading eBooks to your child's device.

Wriggle's team will create a set of consistent credentials for your child so that they will have the same username and password for all their eBooks. These can be found on your child's information sheet that will come with their device.
